EDITOR'S COMMENTS

We regret that we are later than usual with the newsletter this quarter but we will not make any excuses. If fact, we will serve notice that you can expect some of the future issues to be just as late.

We do trust that it was worth waiting for. We spent considerable effort and time trying to get all we know about the descendants of William Chapman who was born about 1633 into one file. When we finished we had a total of 44 pages like the 26 published in this issue. The other 18 pages will be published in some future issue, probably about a year from now so we don't let one family line hog all the newsletter. We mentioned in the beginning of the genealogy on page 7 that we would publish the entire account in a booklet, along with a complete index, if there is sufficient interest. We decided to go ahead and complete the work while we were at it and the booklets will be available for $9.00 each and they may be ordered now.

As suggested in an earlier issue we are concentrating on publishing the genealogies of Chapman families, both ancient and present, and will postpone further publication of the databanks until most of the genealogies are completed. To the extent that inquiries and feedback are available they will continue to be published in each issue.

Those who have renewed their subscriptions, or ordered some publication this year may have noticed a slower response and different invoicing system. In previous years we processed your orders on a weekly basis which required considerable wasted administrative effort on our part. This year we will process most orders on a monthly basis. IF YOU HAVE A REQUEST FOR SOMETHING AND WANT IT IN A HURRY, MAKE THAT CLEAR IN YOUR ORDER AND WE WILL HONOR THE REQUEST IF AT ALL POSSIBLE. The new inovice / receipt system may look more involved from the document you receive, but they are much easier for us to process.

Speaking of orders. We should mention, for the benefit of those who have not been subscribers from the beginning-- we have copies of all back issues available. Number 1 (August 83) through Number 10 (November 85) contain from 24 to 30 pages (most are 26) and cost $3.00. Issues Number 11 through 14 vary from $3.50 - $4.50.

The 1985 Directory is still available for $15.00 and we do not expect to publish a 1986 edition. We may publish one as of the end of December 1987 in 1988, calling it a 1987 Directory.

If those of you who have computers would like diskette files of a particular genealogy or databank let us hear from you. It is possible we can make arrangements so that you can use the data with your computer. The program which you would use with the data must be able to read ASCII files and we cannot accomodate Apple, Atari or Commodore except possibly for the 128 with a CPM operating system. We probably can service most other systems with disks, and if you have a modem we can probably handle any system. Let us hear if you are interested.

CHAPMAN EXCHANGE

Our policy on inquiries is that anyone who has an interest in CHAPMAN family history may submit an inquiry relative to their family, or Chapmans in general. Since anyone may submit an inquiry, subscriber or otherwise, we do not consider it appropriate for a person to submit an inquiry on behalf of another. We prefer not to publish the name and address of a person who has not contacted us, or unless we have obtained the name and address from a published record indicating they were not concerned about the privacy of said information. We believe a policy of limiting inquiries to subscribers or charging nonsubscribers for inquiries, would cut off many sources of valuable Chapman information. We do not limit the length of the inquiry, nor is there a limit on the number that may be submitted or the frequency of submission. Our reporting a particular Chapman lineage in the exchange does not mean that we necessarily agree with the lineage as reported by the CHAPPIE. If we have any serious disagreements, we have usually already informed the CHAPPIE concerned.

15–308 Mr. Brian Berry [redacted] who shares a Chapman line with **Micki Crozier** sent the following:

We are seeking the parents of the following Chapman family, and any materials available on any of the family members:

1. **JOHN W. CHAPMAN** Born in Virginia about 1814, on June 9 1842 married Jane HODDY in Chillicothe, Ross County, Ohio, died October 8 1855 in Chillicothe;

2. **MARY J. CHAPMAN** Born in Virginia about 1818, on November 2 1837 married John McMASTERS in Chillicothe, Ross County, Ohio, moved to Fayette County, Ohio;

3. Daughter, born in Virginia;

4. **JEFFERSON J. CHAPMAN** Born in Virginia about 1825, on September 10 1846 married Maria BLADEN in Chillicothe, Ross County, Ohio, lived at Frankfort, Ross County, later moved to Fayette County, Ohio, alive in 1890;

5. **THOMAS (?) CHAPMAN** Born in Virginia about 1825 married Maria _____;

6. **ELIZABETH A. CHAPMAN** Born in Virginia about 1825, on September 10 1846 married James M. MARTIN in Chillicothe, Ross County, Ohio, in Macon County, Illinois in 1850, returned to Chillicothe where she died October 13 1897;

7. **SUSAN FRANCES CHAPMAN** Born July 3 1831 in Chillicothe, Ross County, Ohio, married Rufus Wilson PARKS in Decatur, Illinois, died September 25 1895 in Kansas;

8. **W. H. H. CHAPMAN** married Rebecca DAIZIN March 3 1860 in Ross County, Ohio.

From the above it can be seen the family moved from Virginia to Ross County, Ohio between 1825 and 1831. The mother of this family may have been Sarah WARREN.

15–309 Mrs. E. J. (Jody) Davis 4501 Airlie Way, Annandale, VA 22003 wrote: "I am still looking for **WILLIAM CHAPMAN**, born about 1815, married 1840 Mary BROOKS, daughter of Charles and Mary Brooks. Died before 1844 in New York or Illinois. Would like to correspond with those working on Chapmans in McHenry Co, IL as well as Otsego, New York."

15–310 Peggy Dekker 4015 Newcastle Ct., Concord CA 94519 is the great great granddaughter of **DANIEL JONES CHAPMAN** born February 2 1808 in

Tennessee. In 1857 he married Lucretia Sprigg REDMOND in Batesville, Arkansas. His father was **JOHN CHAPMAN** born June 12 1774 or 75 who married Elizabeth JONES October 1796 in Orange County, North Carolina. He died March 12 1838. The father of John was **SAMUEL CHAPMAN**. Brothers and sisters of Daniel were:

1. **MARY CHAPMAN** born February 6 1800 in Tennessee, married Wallace BRANCH;
2. **BIG JOHN CHAPMAN** born December 12 1804 in Tennessee, married Eva ------, died enroute to California;
3. **AMOS CHAPMAN** born December 6 1809 in Tennessee, married Mary TERRELL;
4. **REBECCA EVALINA CHAPMAN** born April 9 1810 in Tennessee, married John PURDY 1835 in Davidson County, Tennessee;
5. **ANDREW JACKSON CHAPMAN**, born July 10 1814 in Davidson County, Tennessee, married Maria Elizabeth BARTON September 9 1834, died June 4 1871.

John Chapman was a friend of Andrew Jackson. He moved to Tennessee from North Carolina and lived next to Andrew Jackson. Rachel Jackson helped to deliver Andrew Jackson Chapman. After Daniel died in Arkansas his widow and children moved to California and settled in what is now Lasses County. Any information on this family would be much appreciated.

15-311 Mrs. Mary E. Feyhl, [redacted] Her husband shares a line with three other Chappies whose names and addresses we furnished her. We have a genealogy on this branch prepared which will be updated with her material and included in a future issue of the newsletter. The following paragraph was extracted from her letter: Of course, we would very much like to know who was the father of **JOHN CHAPMAN**, Sr. (John b. 1758, originally had 1760) Found a will of **SAMUEL CHAPMAN** of Amelia County, Va. and he names son John, daughter Tabitha MEADORS, daughter Delpha GREEN and daughter Unity, daughter Anne PORTWOOD and a daughter Mary CAMBELL. Spellings as they appear to be in the will. That handwriting is very difficult to read at times. John is the only son mentioned. It remains to be proven if this is **JOHN CHAPMAN**'s father or not.

15-312 Lucille Jackson [redacted] wrote: "I would like information on the **ISRAEL CHAPMAN** taken prisoner during the Danbury Raid, he was from Salem. Who were the parents of **ISRAEL CHAPMAN** listed in the Vermont Militia, Col. Samuel Fletcher's Battalion in Rev. War? One pay voucher lists Arlington, Dec. 3, 1781, also Sunderland, Aug 31, 1783. Is this the same **ISRAEL CHAPMAN** who moved 1790 to Virginia, then South Carolina and Georgia?"

15-313 Mrs. Eleanore D. Kellis, [redacted] Her husband is the great grandson of **HARRIET CHAPMAN** born May 10 1845 near New Market, Ohio, married Amos A. KELLIS August 16 1862 in Highland County, Ohio, and died August 20 1930. According to the 1850 Highland County census she was the daughter of **JOHN W. CHAPMAN** born about 1819 in Ohio who married a Margaret A. who was born in Pennsylvania about 1825. She is seeking additional information on Harriet, John W. and their ancestors.

CHAPMAN FEEDBACK

DEATHS

We were saddened to learn of the death of **NONA ALBERTA CHAPMAN LONG** on January 17 1987. She was the mother of Chappie **Betty J. (Mrs. Guy A.) Swanson**. Services were held in the Presbyterian Church in Nelson, Nebraska and burial was in the Nelson Cemetery January 20 1987. Readers may remember that a photograph of Mrs. Long, as a child, was on the cover of the May 1986 issue of ***CHAPMAN CHATTER***.

READERS BEWARE??

In the previous issue we alerted you to a possible problem with a publications firm. The following is an update on that from **Laverne Raisch**: "You can now tell your readers that FINALLY- after 3 letters I wrote & almost 7 months of silence – I finally heard from Magee Publications. I received my money back with a mimeographed letter telling of 'a fire that disrupted their business'."

ADDITIONS

In the first issue of ***CHAPMAN CHATTER*** we included an inquiry (#1–22) for **Mollylou Stoddard**. The following feedback was received from her since our last publication:

Here's an update on **CLINTON CHAPMAN** (my Great Grandfather) and Felicia (Phelicia) Sigurna Martinez HARD (my Great Grandmother) Clinton was born about 1820 in New York, died January 24 1887 in Starke County, Indiana, married (1) Mary KNAPP March 5 1847 and she died in 1853, married (2) Phelicia PHILLIPS May 3 1856 (see below) in Marshall County, Indiana, and married (3) Phebe CASTLEMAN March 29 1866. Clinton was a brother to Dr. **CLARKE CHAPMAN** who was born about 1822, married Elizabeth ------ and died about June 2 1898 in Argos, Indiana.

Felicia (Phelicia) was born March 6 1838 in Ohio and died February 3 1919 in Blackfoot, Idaho. She married (1) James Phillips on January 16 1853 in Marshall County, Indiana. It is not known if they were divorced or he died. She married (2) **CLINTON CHAPMAN** (see above paragraph) and it is <u>assumed</u> they divorced because of Clinton's third marriage. Mollylou credits Mary Durnan of the Marshall County Historical Museum for the help which permitted this first breakthrough for her in ten years.

Nancy Gayle Chapman had an inquiry printed in the August 1986 issue (#13–268). She and her parents have since had an opportunity to visit Winnebago County, Illinois and she has some changes regarding her Chapman ancestors as follows:

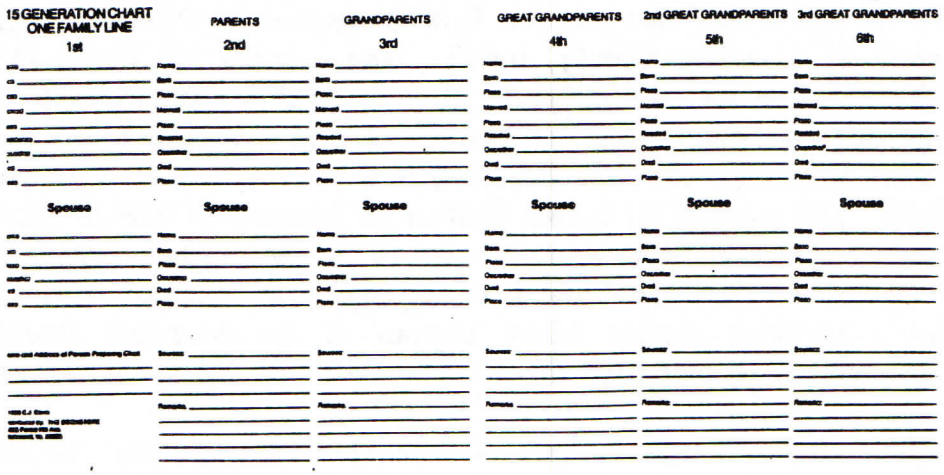
HENRY CHAPMAN is <u>W. H.</u> "Henry" Chapman (shown as Henry on 1830,

1850–70 Federal Census). Could possibly be William Henry or Warren Henry since his son is William and his grandson is Franklin Warren. He was born 1803 in Massachusetts and died 1891 in Winnebago County, Illinois. I previously listed my great grandfather as **WARREN FRANKLIN CHAPMAN**, but should probably list him as **FRANK W. (FRANKLIN WARREN) CHAPMAN** since that's how he was known in his adult life and I have no proof otherwise, other than the fact that he was shown as Warren on the 1870 census. **WILLIAM C. "BILL" CHAPMAN** was born November 15 1830 in Greenwich, Washington County, New York and died August 29 1903 in Rockford, Winnegago County, Illinois. I am hoping someone can tie W. H. "Henry" Chapman into their research as a brother or uncle, etc.

Nancy sent about 20 pages of information on Winnebago County Chapmans (and some Newkirks and Alfords) which will be included in future genealogies and databanks.

CHAPPIE HAS PRODUCT AVAILABLE

As we have mentioned before we do not take advertisements. However, when one of our contacts has a product or service to offer we like to make it known to our group. Mrs. E. J. (Jody) Davis is a Chappie and also has an Alford connection. Jody has developed, and copyrighted, a 15 generation, one family line chart. Although it is a single sheet 11 x 42 inches, it works like a five page foldout. For each of the 15 ancestors there is ample space to enter: Name, Born, Place, Married, Place, Residence, Other Occasion, Died, and Place. For the spouse there is a blank for Name, Born, Place, Other Occasion, Died and Place. For each generation there are four source blanks and five remarks blanks. Reproduced below is a greatly reduced facsimile of the first two pages. The charts are available from THE BOOKSTORE, 5065 Forest Hill Avenue, Richmond, VA 23225 for $2.50 each plus 50 cents postage and handling. The long dimension (42 inches) is responsible for what might seem to be a high price.



CHAPMAN DESCENDANTS OF WILLIAM CHAPMAN OF NEW LONDON, CT (B 1633E)

In the very first issue of *CHAPMAN CHATTER* we began a genealogy of this family. After three installments we became aware of a conflict in two published Chapman families and suspended publication until the 9th issue when we reported the conflict resolved to our satisfaction (see 1/ below) and resumed publication of the genealogy. If we were continue at the rate allowed by the type of reports being published, we would not have finished in this lifetime. It is important to get all of the genealogy in publication as there are many significant additions made possible by material submitted by the several Chappies who descend from this family. While the majority of this account comes from Rev. Frederick W. Chapman's THE CHAPMAN FAMILY: or The Descendants of Robert Chapman One of The First Settlers of Say-Brook, Conn., with Genealogical Notes of WILLIAM CHAPMAN, Who Settled in New London, Conn. etc. important additions were made possible by the following:

EARL B. BALDWIN, P. O. Box 194, Bourbon, MO 65441
CRESSEL L. CHAPMAN, Rd 5, Box 133, Moscow, PA 18444
JAMES L. CHAPMAN, 23321 75th Avenue W., Edmonds, WA 98020
EVA L. COLLINS, P. O. Box 734 Rochester, MI 48063

MARION C. HAYS, 5801 Goodland Avenue, North Hollywood, CA 91607
PAULA M. ISOMURA, 14220 N. E. 64th Court, Redmond, WA 98052
COLIN C. KELLEY, 78 Wyngaard Avenue, Piedmont, CA 94611
GRACE LOUISE KNOX, 190 South Main Street, West Hartford, CT 06107
ELEANOR CHAPMAN LENT, Route 3, Mill Street, Putnam Valley, NY 10579
THOMAS W. SEIM, Route 2, Box 288, Hudson, WI 54016
JEAN CHAPMAN SNOW, 4223 58th ST. CT, N.W., Gig Harbor, WA 98335
JILL TELFER, 511 Knox Place, Joilet, IL 60435

The entire account is too lengthy to print in this issue. Since we want to give all families "equal time" we do not plan to continue it for several issues. If there are enough who are interested the entire account will be published as a book, complete with index of Chapmans and spouses. The cost of the booklet will be $12 or less. Don't send payment, but if you are interested in the booklet let us know. If enough show interest we will proceed and advise of the price and order date.

The numbers in this account are not the same as those in the source book. Your comments, corrections and additions are solicited.
